Director of Sales Distribution
North American Sales
Alcatel-Lucent Enterprise

Working with Jose has always been a pleasure. From his can-do attitude to his incredible sense of teamwork, he quickly becomes a critical asset to any team. Working in a fast paced, deadline driven environment, I've witnessed firsthand Jose's capability to deliver. His skill set shines when being given the most complex of tasks, thinking outside the box for a resolution and driving success no matter what the hurdles.

Jose is extremely professional, but his warm personality and incredible sense of humor, puts all those that he works with at ease, colleagues and customers alike. Jose's attention to detail, dedication, critical thinking and optimism is at a standard that others should be held to.

I was fortunate to work with Jose on a very large, highly visible project that required collaboration amongst multiple teams and his flexibility, ability to work well with others, openness to constructive criticism and superb communication skills were proven day after day that he was a crucial part of my team and our ability to succeed.
